THE INTERNATIONAL MEDICINE AND BIOSCIENCES CONFERENCE 2025

6th - 8th November, 2025 Dubai, UAE

ABOUT THE CONFERENCE

TIMBC 2025, being organized by Eureka Science at Zayed University Convention Center, Dubai, will showcase advancements in medicine and biosciences. Featuring lectures, posters, and an exhibition, this event aims to foster global collaborations. Like past conferences organized by Eureka Science, TIMBC 2025 will bring together Nobel laureates, senior scientists, entrepreneurs, researchers, professionals, academia, and students to discuss the latest research and innovations in medicine, biotechnology and life sciences.

AIMS AND SCOPE

- **Conference Overview:** TIMBC 2025 (6–8 November) fosters global networking and showcases advancements in medicine and biosciences.
- **Key Objectives:** It explores emerging trends and technologies, focusing on practical applications and healthcare innovation.
- **Disciplines and Participation:** The event covers diverse fields and welcomes global experts to share groundbreaking research.
